Sir,

I beg to state that a Musafirkhana was got repaired at a cost of Rs.8,000/-, Government having been pleased to help me with a loan of Rs.4,000/-. This Musafirkhana affords shelter to nearly 20,000 people every year and is of great utility to the vast mass of pilgrims who resort to the place. Rs.1,000/- out of the loan has been repaid by me, but I find that it is not possible for me to pay the balance, on account of the heavy expenditure for the maintenance of the Dargah. The matter was brought to the kind notice of His Highness the Maharaja Sahib.

In these circumstances I request that the balance of the loan amount may kindly be excused.

I beg to remain,
Sir,
Your most obedient servant,

Sd. Syed Murtuza Shahadri
Sajjada.

A reference to the files relating to the grant of this loan (in two instalments of Rs 2,000/- each) shows that the Sajjada agreed to repay it at the rate of Rs 800 per mensem. The Institution is in receipt of a cash grant of Rs 1,800/- per annum and besides, enjoys some land Inams. It is undesirable to convert into a free grant a payment obtained as a loan in the first instance. No ~~new~~ reasons are ~~now~~ urged to write off the loan and treat it as a free grant. In these circumstances, I think it is not possible to comply with the request of t h e Sajjada.

As the petition is addressed to the Dewan, the file may be submitted to him.

Sir,

I beg to bring to your kind notice that the people who come to Babubudan Swami Dargah on Pilgrimmage used to feel much inconvenience to stop on the Hills for want of accommodation for a number of years. With a view to provide them with accommodation I thought of putting up some buildings on the Peeta and accordingly commenced the work with the littl money I had then.

While the work was going on I observed that what little money I had would not suffice for the purpose and therefore applied for Government assistance. The Government was pleased to sanction a loan of Rs 4000/- repayable by instalments, with this amount I completed the buildings and they are now being used as Musafirkhana on the Sree Gurudatt'treya Babubudan Dargah.

As regards the repayment of the loan I have so far paid Rs 1000/- and for the balance I have approched the Revenue Commissioner and the Muzrai Commissioner to waive the loan as the buildings are constructed for the use of the Musafirs and travellers. In the meanwhile the local Revenue authorities here are pressing me for payment and they even say that they are going to withhold the monthly cash grant sanctioned to Dargah and adjust the same towards the balance of loan until it is fully cleared.

The Cash Grant is solely meant for carrying on the affairs

252

affairs of the Dargah and to feed the travellers who frequent the Dargah on a Pilgrimmage and if it is withheld the Dargah and its management cannot be run.

During the visit of His Highness the Maharaja of Mysore to the Peeta I have submitted all the facts before His Highness.

I have also submitted an application to the Private Secretary to His Highness to represent my prayer before His Highness on this subject.

In these circumstances I humbly request that you may be pleased submit my prayer to Government and favour me by waiving the balance of loan due by me.

I beg to remain,

Sir,

Yours faithfully,

Sajjada.

His request for the remission of the balance of loan has been vetoed after obtaining a report from the M.C. & orders are under issue — No action is necessary on this & this will be placed in the Current file after perusal —
